

Quality Management Policy

Fremantle Constructions Pty Ltd is committed to reaching the highest possible performance in Quality Management and exceeding our client's requirements and expectations in a pro-active and cost effective manner.

Consistent with this Fremantle Constructions will:

- Fulfil all of our legal and other obligations in accordance with all appropriate legislation and standards
- Establish and maintain a Quality Management System in accordance with AS/NZS ISO 9001
- Provide adequate resources to continually improve our business processes
- Communicate our policy to all employees to ensure they are aware of their responsibilities and the standards expected of them
- Encourage all employees to integrate quality management into the way we work and promote its application as a method of continual improvement within their area of responsibility
- Identify non-conformances and carry out rectification in a prompt manner
- Implement a recording and review process such as Objectives and Targets to measure our performance against what we say we will do

This policy applies to all Fremantle Constructions Pty Ltd employees and visitors on the company's premises. Fremantle Constructions Pty Ltd reserves the right to discipline any employee found to be in breach of this policy.
